PROFILE

Hi! I'm John Lawrenz Salvador. I've been in the Information Technology industry as a Mobile and Web Developer for the past five years. I learned a lot from all of my experience and gain confidence of what my capabilities and skills can do. I am always focus and willing to adjust on the situation at work. I knew that I can be the best of what I do and determine to learn new things and adopt to new environment.

WORK EXPERIENCE

Bureau of Plant Industry 2023- PRESENT
Computer Operator III (Mobile and Web Developer)

- Developed dynamic web applications using core PHP
- Built cross-platform apps for Android using Flutter and Dart
